

Children's Assessment Center

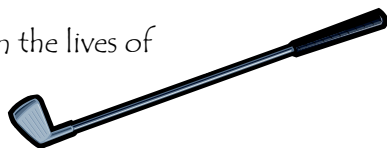

"Hearing the story. Healing the pain. Halting the cycle."

Children's Assessment Center (CAC) assesses, supports, and cares for child victims of suspect-

ed sexual assault. This year at CAC, nearly 1,000 children who may have been sexually abused will receive all of the services they might need. These services are available on site, and every family has access to any of the services they need, free of charge, every time.

As a corporate citizen, EHTC strongly believes in the vitality of the Grand Rapids area. We recognize that a well-rounded business is measured not only by profitability, customer satisfaction, and professional growth, but also by its role in the community it shares. By joining together, we know we can make a difference in the lives of others.
